

Sigil Instructions:

1. Place the sigil under your bed for one night and say this:

"I release all energetic resistance to divine timing.
I release expectations and control.

I allow divine timing to heal my body, heart, and soul, to align my highest grace with my divine union.

I obey by the law of nature, and by the law of nature, I obey.

I clear all karma between me and divine union that comply to anger, resentment, and obsession of my divine union.

I heal all Karma with manifesting Union in grief and suffering.

I release all my heart from longing, as my heart is in union now, all and all in the highest and best way.

It is done." (Repeat three times)

2. After completing the ritual, release the sigil from your home, rip the paper, and throw it away.

Your ritual is complete.
